

# WINDOW WELL COVERS

DURABLE COVERS WITH A LIFETIME GUARANTEE

## SW Series Basement Windows

Available in full and nominal wall thickness (8", 10", and 12" walls – No pouring bucks)	Reversible if poured incorrectly – Header, jamb and sill parts snap-in for correction
All vinyl frame is maintenance free – No painting or rusting	Fully braced to support window during the concrete pour
Window is poly-wrapped before pour to prevent any concrete getting on window	3/4" insulated Low-E glass is standard – U-value of 0.37
Sashes are removable from the inside	Half-screen is removable from the inside
Both sashes and frame are weeped for superior water drainage to the outside	Sashes are double-weatherstripped to protect from outside weather infiltration
